Instructions: Please fill out this report each month, turn it in to your ministry's elder liaison/shepherd by the last Sunday of the month and discuss it with them before the next elders' meeting. Use the back of the sheet if necessary.

**Purpose:** This section is a reminder for you to keep focused on Woodlawn's mission and how your ministry fulfills our vision: *"Every member connecting, growing, and serving."*

Connecting- How are you connecting people to your ministry and with each other?

Growing- How are you training/equipping people for their role in your ministry?

Serving- How are you encouraging/shepherding the people in your ministry?

**Plans:** What are you planning? How's it going? Are there any challenges?

**People:** Who is (or is no longer) involved in your ministry? (Please discuss any personnel challenges or conflicts with your elder liaison/shepherd.)

**Prayer:** How can the elders pray for you, your ministry, and/or your people?
